

Shining Light on Delirium
A FUNDRAISING SOIREE

*You are Cordially Invited
to join us for a special evening dedicated to
raising awareness of delirium*

Delirium is an under-recognized but common condition that can have devastating consequences for those who experience it and for those who care for them. We are seeking partners from the community and health care organizations to engage with delirium experts from around the globe and begin a movement to focus on delirium prevention and early recognition with evidence based strategies for treatment and management.

American Delirium Society 1st annual Fundraising Event

Hyatt Regency Sacramento – Capital View Ballroom

Sunday, June 9th 2024 – 7pm
